TYPICAL JOB DUTIES

The SR-PM is a non-firefighter position that provides ALS care and transport of patients as part of the inter-facility transport service agreement with Jefferson Healthcare. In addition to inter-facility transports, an SR-PM may deliver expanded role emergency medical services such as emergency incident rehabilitation, mobile integrated healthcare, and injury reduction/prevention programs.

The SR-PM is required to perform conscientiously, proficiently and independently at any and all assignments and duties. The SR-PM is responsible for recognizing the importance placed on activities by the public and for tactful and respectful treatment of citizens.

APPLICANT REQUIREMENTS

Employees must have a diploma or GED certificate and be 18 years of age.

Possess and maintain a valid Washington State Paramedic or National Registry Certification. Possess and maintain a current PALS and ACLS Certification.

Possess a valid WA State Driver's License, and, as required, with a driving record free of any significant moving violations as determined by EJFR. Maintain insurability to drive/operate a motor vehicle in Washington State.

Ability to pass a Background Check with no fail criteria.

APPLICATION PROCESS

Candidates who best meet the qualification and needs of EJFR will be invited to participate in a testing process. We have current vacancies, but will also be establishing an eligibility list for future openings. All prospective candidates must submit a completed application packet with the following items:

- EJFR application
- Resume
- Copies of all applicable certifications and licenses.

Applications may be obtained by visiting our website at EJFR.org. Applications will be accepted until the position is filled. Completed application packets may be emailed to:
